

What Can You Do?

1. **Every person in your home counts! Your 2010 census form comes by mail in March, fill it out and mail it back.**
2. **Check "Some other race" and write in your community. (Somali, Ethiopian, Oromo, Eritrean, Sudanese, etc.)**
3. **If you do not write in your race, we won't receive the resources and representation we deserve!**
(Our numbers = Financial aid, housing, health care, & more!)

The Census is confidential by law: No one can see your information, not your landlord, housing, immigration, or the President! The Census is only to determine our numbers.
