

Congratulations

2009 Clean Air Award Recipients

Thank you for finding ways to clean up our region's air!

The Mid-Ohio Regional Planning Commission honors the following winners for their efforts to improve central Ohio's air quality.

Columbus City Schools Transportation & Fleet Services Departments

For installing pollution-reduction technology on more than 100 school buses and replacing over 137 of their oldest buses to reduce emissions.

Jeff Stephens, Consider Biking

For being a champion advocate to encourage and promote bicycling and active transportation in central Ohio.

The Green Energy Center at the Solid Waste Authority of Central Ohio

For transforming landfill gas into compressed natural gas for vehicle fuel.

The Ohio State University Center for Automotive Research

For the EcoCAR Team's development of a plug-in hybrid electric vehicle for continued research on alternative vehicle technologies.
