

Green Community Calendar:

Instructions on how to post Green Community Calendar on your organization's website

Copy the code shown below and paste it into the code view of your web design program. As the calendar is updated with new events, changes will be reflected on your website.

```
<iframe src ="http://www.morpc.org/energy/green\_community/GreenCalendar.asp"
width="100%" height="550" scrolling="no" frameborder="0">
    <p>Your browser does not support iframes. <a
href="http://www.morpc.org/energy/green\_community/calendar.asp">Click here to
go directly to the page.</a></p>
</iframe>
```
