

Green Community Calendar:

Below you will find instructions on how to post the Green Community Calendar on your organization's website.

Copy the code shown below and paste it into the code view of your web design program. As the calendar is updated with new events, changes will be reflected on your website.

```
<iframe src
="http://www.morpc.org/energy/green_community/GreenCalendar.asp"
width="100%" height="550" scrolling="no" frameborder="0">
<p>Your browser does not support iframes. <a
href="http://www.morpc.org/energy/green_community/calendar.asp">Click
here to go directly to the page.</a></p>
</iframe>
```
