OUR MISSION: GREEN SCHOOLS WITHIN THIS GENERATION

25% of the population goes to school every day

There are **133,000** K-12 schools and

4,300 colleges and universities

Of the nation's 20 largest school districts

80%

have committed to green
school construction.

94%

made this commitment in
the last 5 years.

- Fellowship program
- Pass a resolution

Founding Sponsor 

The Coalition for Green Schools

This alliance of the nation's leading educational and environmental associations is in pursuit of a common mission: provide every child in America with a green school within a generation.

APPLY NOW

Download the Coalition Members Application (PDF) and return to the address specified in this document.

"The Obama Administration has three domestic priorities: education, health care and energy and in working to create healthy, efficient and environmentally conscious green schools, [the Coalition for Green Schools] is making progress on all three initiatives."

Martha Kanter
