

**\$285.9 Million in State Funding Now Available
for Infrastructure Improvements through the Ohio Public Works Commission**

The Ohio Public Works Commission announced the availability of \$285.9 million in funding for infrastructure improvements through the State Capital Improvements Program (SCIP) and the Local Transportation Improvement Programs (LTIP) on May 6, 2009. For an overview of the SCIP/LTIP infrastructure programs see <http://www.pwc.state.oh.us/>

The OPWC will be accepting applications from the 19 Public Works Districts until March 31, 2010. Click on the appropriate contact below for the Public Works District application information for your county.
