

### **Transportation Intern for Regional Planning Agency**

The Mid-Ohio Regional Planning Commission (MORPC) is seeking an intern for transportation planning and engineering issues. Primary duties of this position include transportation data mining, data organization, and data analysis. This position requires excellent organization skills with a strong attention to detail. Candidate must be a team player.

Proficiency with Excel spreadsheets, Access databases, and other Office 2007 products is essential. Applicant must be currently enrolled in a college or university. Fields related to transportation, engineering, urban planning, or geography preferred.

MORPC is an EOE/AAP employer. Submit resume to: MORPC, 111 Liberty St., Ste. 100, Columbus, OH 43215, **Attn: T-3-10**. For immediate consideration fax resume to 614/233-4206. [www.morpc.org](http://www.morpc.org)
