Gov. Mike DeWine (center) holds up a report on dangerous intersections. Joining him are ODOT Director Jack Marchbanks, Ohio State Highway Patrol Lt. Col. Kevin Teaford and Lt. Col. Marla Gaskill and Department of Public Safety Director Tom Stickrath.

KAREN KASLER

Safety Program will receive \$50M more annually.

Money dedicated **exclusively** for safety improvements on priority list.

150+ Locations Statewide

- **10 intersections** under or near construction
- **10 intersections** currently under study (June 30 deadline).
- **17 intersections** to be studied (new studies – June 30 deadline).
- **84 intersections** studied – District identified unfunded countermeasures.
- **36 intersections** studied – no further countermeasures identified by district.

Urban	FRA	SR-16R (E Broad St) at MR-OUTERBELT (Outerbelt)	149-(was on preliminary list, but didn't make the top 100)

What's Next?

- **Accelerated review and approval**
- **100% safety funds** (mix of state discretionary and federal HSIP)
- **Special May 20 Programmatic Selection**
 - CO Safety to provide draft funding recommendations by April 24.
 - Districts to validate recommendations and suggest consultant contract needs by May 1.
 - CO to determine Task Order levels and individual postings May 2.
 - District staff to develop scopes for individual projects by May 19.

Stay Tuned

- **Updated program allocations to come from CO**
- **ODOT Districts are updating their work plans in May**
- **TRAC will accept additional applications**
- **Leveraging of funds will continue to be needed, and program application scoring will reflect it**
