June 4th and 6th, 2018
AIR QUALITY AWARENESS WEEK

AIR QUALITY WHERE YOU ARE

APRIL 30 – MAY 4

On behalf of EPA and our AirNow Partners – the NOAA – National Weather Service, Centers for Disease Control and Prevention (CDC), U.S. Forest Service (USFS), and the U.S. Department of State, we are pleased to announce that Air Quality Awareness Week 2018 will be April 30 – May 4.

The 2018 theme is AIR QUALITY WHERE YOU ARE. Our goal is to promote events that increase air quality awareness and inspire people to take steps, no matter how big or small, to reduce their contribution to air pollution.
