Prioritized as a project of
**REGIONAL
SIGNIFICANCE**

The East-West Corridor represents 20 miles of diverse people, communities and businesses that connect within and beyond Central Ohio

Project Benefits

- Creates walkable, accessible, attractive and safe places
- Re-imagines what the Columbus Region will look like and how it can become more equitable, which includes health and essential services
- Attracts resources, identifies anticipated returns on investments and ensures accountability to create the conditions for shared prosperity
- Centers its work on equity, workforce advancement, innovation, economic development, and affordability, including housing and sustainability
- Ensures the use of modern, state-of-the-art vehicles operating in dedicated lanes, having Wi-Fi equipped transit with comfortable seating and other amenities

The Northwest Corridor is one of the city's most critical transportation connections, linking major institutions and employment centers
