2020-2050 METROPOLITAN TRANSPORTATION PLAN DEVELOPMENT
What is the Metropolitan Transportation Plan?

- Long-range (20+ years) plan that sets the regional transportation priorities
- Fiscally constrained, prioritizes strategies and projects, examines impacts to air quality
- Formal document submitted to ODOT and Federal Highway on a 4-year cycle
- Plan covers 2020-2050 timeframe
- Includes only communities within the MPO boundary
- Plan will address:
  - All surface transportation modes
  - Travel demand management
  - Sustainability
