**Re: Support for the Columbus Crossroads INFRA Application**

Dear Secretary Chao:

Columbus Crossroads is a \$1.3 billion, multi-phase project to transform the crossroads of Interstates 70 and 71 in Downtown Columbus and improve freight movement across Ohio and Midwest. I write this letter to (1) express our strong support and to reinforce the strong regional support for the Ohio Department of Transportation (ODOT) and City of Columbus joint INFRA grant application for Phase 4 of the Columbus Crossroads project; and (2) to urge your support for this catalytic project of national and regional importance.

Leveraging this major investment to replace obsolete highway infrastructure, Columbus Crossroads also seeks to reconnect, restore, and revitalize Downtown Columbus and surrounding neighborhoods. ODOT, the City of Columbus, the Mid-Ohio Regional Planning Commission (MORPC), and a diverse group of community stakeholders and business entities have collaborated over the last decade to develop and implement this comprehensive vision.

Completion of the Columbus Crossroads project has been identified as a top priority for the City of Columbus, the Central Ohio region, and the State of Ohio. We respectfully request that the U.S. Department of Transportation consider the importance of these improvements to the prosperity of our region and state, and the resiliency of the national interstate highway system; and we respectfully urge your support for the application.

Sincerely,

Mark Wagenbrenner  
President  
Wagenbrenner Development
