

Land Use & Health Workshop

August 13, 2019

9:00 AM – 1:00 PM

Mid-Ohio Regional Planning Commission

111 Liberty Street, Suite 100, Columbus, OH 43215

This workshop will use presentations, discussions, and hands-on activities to explore the connections between land use and public health. Health professionals, planners, policymakers, and transportation professionals are encouraged to register. The Ohio Department of Health maintains a suite of land use-related resources available [here](#). Please take time to review these materials before attending the workshop.

Workshop Highlights:

- » Improving Health Outcomes through Land Use and Environmental Design
- » Implementation Strategies and Case Studies
- » Health Disparities, Racial Justice, and Equity Considerations

Free Admission!
