Note: This grant program is not being funded at the present time. As soon as it is offered again, we will update this information.

SUMMARY - READ THE ENTIRE SUMMARY

Overview:

The purpose of the FY 2020 Supporting Small and Rural Agency Body-Worn Camera Policy and Implementation Program (SRA-BWC) is to provide funding and program development support to small and rural agencies that intend to initiate expanded body-worn camera programs.

Applicants must demonstrate in their proposals how they will, in close consultation with BJA, develop a competitive microgrant application process to award small and rural law enforcement agencies with funds to purchase BWCs and cover related program expenses. They must also demonstrate how they will identify the needs of **micrograntee** agencies and deliver standard and customized training and technical assistance (TTA) to those agencies.

The selected applicant will be responsible for designing and administering a competitive funding solicitation that distributes microgrants to qualified small and rural agencies to implement a body-worn camera program.

Maximum number of awards BJA expects to make 1
