a - Population estimates were calculated by Delaware County Regional Planning Commission. Assumptions for housing units, occupancy rates, and household size are unknown.

b - New member this year. Previous dues calculations are not available.

*Due to significant differences between the 2018 and prior year estimates for the City of Hilliard, 2016 and 2017 population and housing units were recalculated according to the new 2018 population estimate methodology to more accurately reflect growth patterns in that community.
