# Morning Keynote

## Julie Sweetland, Frameworks Institute

Start the Summit by learning about cutting-edge, evidence-based reframing recommendations and strategic communications related to sustainability from keynote speaker Julie Sweetland, a Sociolinguist and Vice President for Strategy and Innovation at the FrameWorks Institute.

### Legislative Panel to Discuss Federal Impact on Region

Sweetland will also moderate an expert panel featuring the U.S. Chamber of Commerce, the National Sustainable Agriculture Coalition, the Nature Conservancy, and the Alliance to Save Energy. The panel will provide insight on what's happening at Capitol Hill and how it may impact us in the region.
