

I-70 Widening (Licking County)

PROJECT OVERVIEW

This project will widen I-70 from two (2) to three (3) lanes in each direction between Palmer Rd. and the SR 158 interchange. The District will evaluate the need for pavement rehabilitation and minor bridge preventative maintenance work as part of the preliminary engineering phase.

2023 TRAC REQUEST

ODOT District 5 is requesting to enter into Tier II status and requests \$5 million for Preliminary Engineering in fiscal year 2025.
