CENTRAL OHIO CLIMATE ACTION PLANNING ENGAGEMENT SURVEY

MORPC

MORPC and our partners would like to hear from interested parties in a 10-county planning area (Delaware, Fairfield, Franklin, Hocking, Licking, Madison, Morrow, Perry, Pickaway, & Union) on how they would like to be engaged in this planning process throughout the *Columbus Climate Action Plan* project.

Please share your input through a quick survey.
Deadline: September 15, 2023

HOW DO YOU WANT TO ENGAGE?

With grant support from the EPA, the Columbus region is preparing to update the existing Columbus Climate Action Plan and expand to a regional focus.

Before that work begins we want to hear from you!
