

REGIONAL DATA ADVISORY COMMITTEE UPDATE

Christina Drummond, Chair February 8, 2024

## **RDAC VISION**

The Regional Data Advisory Committee (RDAC) is a MORPC top-level advisory committee consisting of data experts representing the public, private, nonprofit, and academic sectors.

The RDAC vision is to make Central Ohio a leader in using data to improve the quality of life for all residents.

## RDAC WORKING GROUPS

RDAC has formed five working groups aimed at moving forward with the Regional Data Agenda. Each group has a specific project or initiative focusing on one or more of the goals established on the agenda.

Data Day	Champion learning opportunities to increase technical capacity
DEI & Data	Identify barriers and provide solutions to improve equitable data use and access
Cybersecurity	Promote renewed focus on the security and resilience of systems
Data Coaches	Foster value-added interactions among data professionals and users
Workforce & Job Quality	Support a holistic approach to evaluating job quality regionally
