	A purchase price greater than 5% of appraised value are not eligible to apply.	
	Under no circumstance shall an application be submitted to an NRAC for which there is an existing active Project Agreement for the same scope or portion of the same scope.	
	No additional supporting documentation for or amendments to a proposed project will be accepted after the designated cut-off date for application submissions unless specifically requested of the applicant by the District 17 NRAC.	
	Projects not scheduled for acquisition within 12-months from the date of the Project Agreement will be rejected by OPWC.	
	Proposed projects that do not obtain a mean minimal score from Council members of at least forty percent (40%) of the total possible maximum points that could be awarded by District 17 NRAC members will only be funded in full or in part upon a majority vote of Council members and be contingent upon funding availability.	
	Purchase and/or demolition of existing structures is not an approved NRAC 17 expense.	
	ELIGIBLE PROJECT PER PRESCREENING (Check Applicable)	
٧	Applicant must clearly demonstrate that the primary purpose of a proposed project must be to preserve high quality green space, protect stream corridors or enhance the water quality of a stream. Proposed projects shall emphasize these as the primary goals rather than as simply secondary benefits of the project.	
٧	Public access improvements to be funded by a proposed project must be located on the parcel being acquired and/or previously aquired and meet OPWC requirements over a two-year period.	
٧	Project is scheduled for acquisition within 12-months from the date of the project agreement.]
V	Applicant MUST have an ODOT-certified appraiser , who is credentialed in value analysis , review the property and provide a letter of review/letter of opinion/summary report no older than one (1) year from the date of the application deadline PLUS the County Auditor's appraised value of the property. Both MUST be submitted with the application. If the purchase price of the property is more than the appraised value, Applicant should submit other documentation with the application that would justify the purchase price of the property. A full appraisal is required upon funding approval.	
٧	Maximum 75% grant funds requested to complete the project.	
٧	Applicant is an eligible entity and the required resolutions are included as described in ORC 164.23.	
٧	Matching funds for the project shall not include any permanent structures, anything pre-existing or anything that the Clean Ohio grant wouldn't purchase.	
V	All information pertinent to the current Scoring Methodology must be included if the application is for Restoration or Enhancement of property previously acquired through CleanOhio Funds.
