

Tuesday, September 9, 2025 | 9:00 a.m. – 4:00 p.m. Wigwam Event Center 10190 Blacklick Eastern Rd. Pickerington, OH 43147

The Mid-Ohio Regional Planning Commission (MORPC) is the regional voice, trusted convener and catalyst, bringing Central Ohio together to collaborate on best practices and plan for the future growth and sustainability of the region.

Safe Streets Central Ohio is an annual event hosted in collaboration with key partners to highlight efforts throughout the region to reduce the number of traffic fatalities and severe injuries occurring on our roadways. This event provides an opportunity for local decision-makers, transportation professionals, public health partners, advocates, and other partners to come together to share, learn, and network with a focus on transportation safety.

In the Central Ohio 10-County region, more than 200 people are killed each year as a result of the crashes occurring on our roadways. Another 1,200 lives are impacted by severe injuries. Along with many of our state and local partners, MORPC is actively working to mitigate these crashes and improve the overall quality of life for all Central Ohio residents and visitors. Through the 2025 Safe Streets Central Ohio event, we hope to inspire collaboration and innovation to create a transportation system that is truly safe for all users.
