Insight2050 Technical Assistance Program
Intent to Apply - "Other" Projects

insight 2050

The insight2050 Technical Assistance Program (TA Program) provides assistance to MORPC members within the MPO boundary for the planning of sustainable transportation and community development efforts. TA program services are intended to help communities:

- Increase multimodal transportation options within their community
- Enhance quality of life by improving mobility, accessibility, safety, and health equity
- Improve connectivity to community assets and support reinvestment in underutilized properties through infill and redevelopment planning
- Prepare for emerging transportation by leveraging technology and infrastructure to maximize safety, sustainability, affordability, equity, and quality of life for all residents

Eligible MORPC members interested in the TA Program for technical assistance on projects classified as "other" must submit the following application before submitting the Competitive Application. For more information about the TA Program or application process, please see the 2019 Technical Assistance Program Guide or visit getinsight2050.org.

Some helpful application tips:

- The Intent to Apply application is only required for projects classified as "other." Communities applying to the TA Program for the pre-determined project types (Complete Streets, First-Last Mile, Low-Impact Transportation, Curbside Management, Shared Mobility, or Conceptual Development Framework) are not required to submit the Intent to Apply application
- There are 2 questions in the Intent to Apply application. Be sure you've answered all the questions before submitting via email
- Competitive Application, most of which allow for open-ended responses. Be sure you've answered all the questions before submitting via email
- If you experience any technical difficulties while filling out your application, please contact Tobi Otulana as soon as possible for assistance

The Intent to Apply application for projects classified as "other" must be submitted via email to Tobi Otulana at totulana@morpc.org no later than 5:00 PM EDT August 7, 2019.

For questions about the Intent to Apply application or the TA Program, please contact Tobi Otulana.

1) **Applicant Information**
   MORPC Member Government

   Project Manager

   Phone Number

   Email Address

   Mailing Address

2) **Executive Summary** (500 word maximum)
Briefly describe the project for which you are requesting technical assistance. Response should include:
- Summary of the proposed project
- Description of the need for technical assistance
- Description of the area to be served by the project (e.g. "the corridor along Main Street bounded by First Avenue to the North, Fifth Avenue to the South, West Street to the West and East Street to the East.")
- Scope of work
- Project timeline
- Estimate of anticipated community staff hours and MORPC staff hours
- Anticipated roles and responsibilities of community staff and MORPC staff
