

# SOMOCO SANITARY SEWER UPGRADE

PROJECT  
PROFILE

The Southern Morrow County Sanitary Sewer Upgrade and Outfall project will improve sewer facility treatment capabilities in southern Morrow County. Additionally, the project will install a discharge outlet to Alum Creek, increasing sanitary sewer outfall capacity for residents and businesses.

Prioritized by:  
**MORROW COUNTY**

**Project Type:**  
Water & Sewer

**Estimated Cost:**  
\$2.8 million

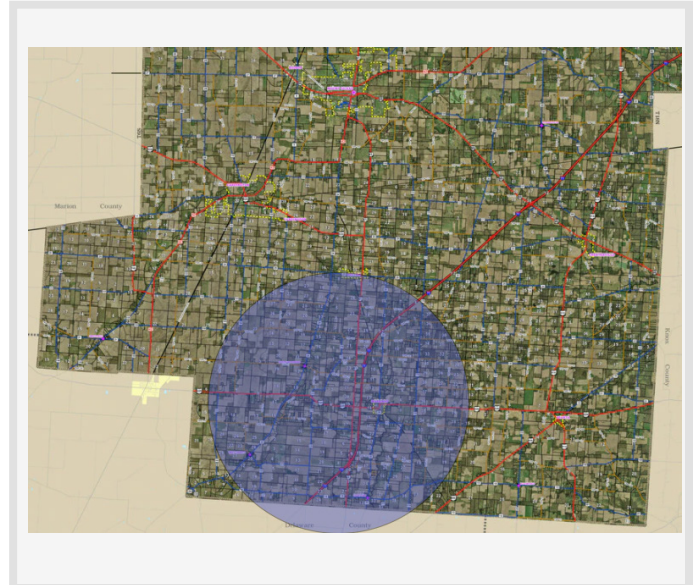

**Lead Agency:**  
Morrow County Development Office

**Project Contact:**  
Andy Ware, Development Director  
andy.ware@co.morrow.oh.us | 419-947-7535

**Jobs Supported:**  
Over 1,000

SHOVEL READY

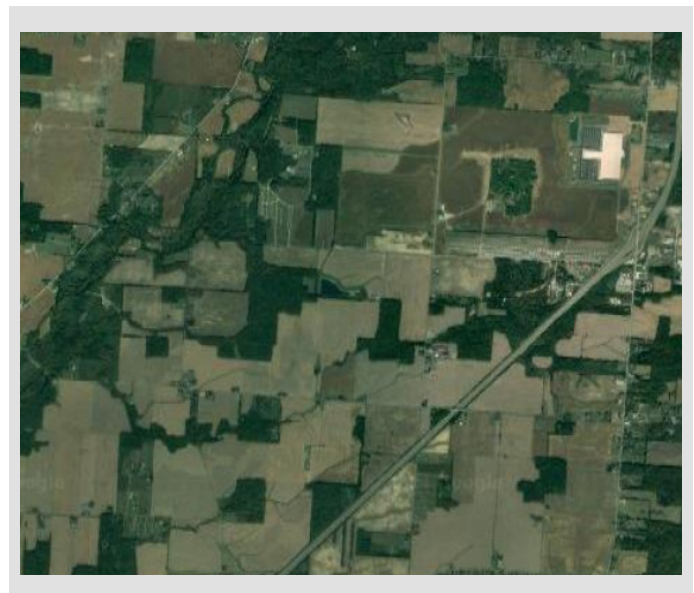

## Project Location

Southern Morrow County

## Project Benefits

- Maintains competitive infrastructure by providing sanitary sewer service
- Protects natural resources by reducing the number of on-site treatment and septic tanks in the area
- Improves water quality of Alum Creek by improving the quality of effluent discharge
- Provides for continued growth in southern Morrow County
