

# CIRCLEVILLE GRADE SEPARATION

PROJECT  
PROFILE

The Circleville Grade Separation project will address multiple rail crossings in Circleville. Where appropriate, grade separation will alleviate safety and congestion issues exacerbated by increasing rail traffic to and from the Norfolk Southern Intermodal terminal at Rickenbacker.

Prioritized by:  
**PICKAWAY COUNTY**

## Project Type:

Transportation - Highways & Roads

## Estimated Cost:

\$5-6 million

## Lead Agency:

Pickaway Progress Partnership (P3)

## Project Contact:

Ryan Scribner, Economic Development Director  
rscribner@pickawayprogress.com

## Partner Agencies:

City of Circleville, Ohio Department of Transportation, Norfolk Southern Railway, Ohio Rail Development Commission

## Project Location

Throughout the City of Circleville

## Project Benefits

- Maintains competitive infrastructure by relieving traffic congestion and improving safety in Circleville
- Adds value to the transportation system by accommodating multiple transportation connections between national and statewide corridors
- Improves safety and quality of life for residents
- Keeps pace with the needs of regional industrial and logistics employers
