## Pedestrian Bridge over South High Street to be Demolished

### Project Details

The Franklin County Transportation Improvement District (FCTID), on behalf of the Franklin County Board of Commissioners, intends to demolish the pedestrian bridge located over South High Street between Fulton Street and Mound Street.

Demolition of the pedestrian bridge is the first phase of the FCTID’s Franklin County Parking Facilities Improvement Project, which aims to maintain and improve access to parking facilities associated with Franklin County’s Downtown Complex (34 East Fulton Street, 373 South High Street, and 399 South Front Street).

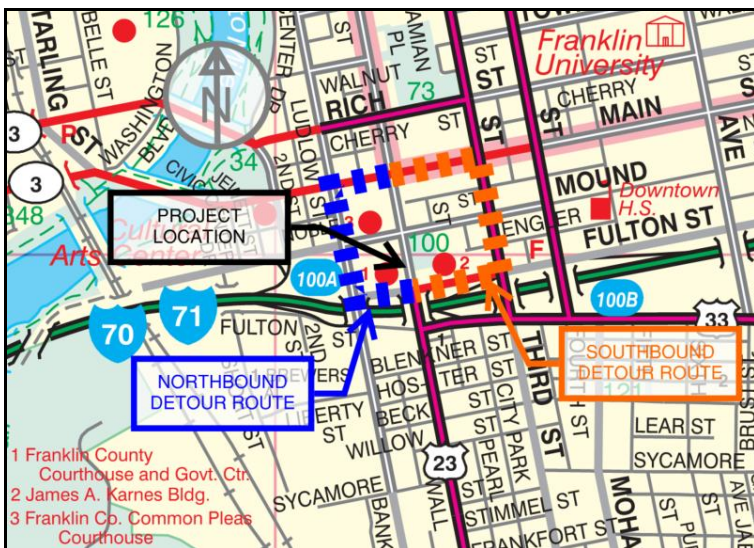

The project is scheduled to begin on **November 6, 2020 at 7:00pm**. The demolition will require the closure of South High Street between Fulton Street and Mound Street to vehicular and pedestrian traffic and will continue through the end of the day on Sunday, November 8, 2020.

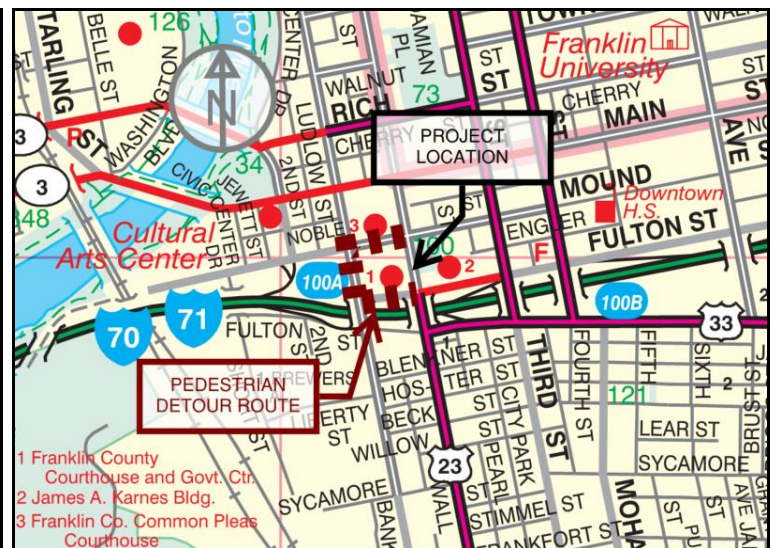

Existing Pedestrian Bridge over South High Street

### Vehicular and Pedestrian Impacts

The posted detour route for northbound motorists on South High Street will follow Fulton Street west to Front Street, north to Main Street, and east to South High Street. The posted detour route for southbound motorists on South High Street will follow Main Street east to Third Street, south to Fulton Street, and west to South High Street. The posted detour for northbound and southbound pedestrians will utilize Fulton Street, Front Street, and Mound Street.
