

sustainable 2050

Central Ohio Communities
Working Toward a Better Future

Sustainable2050 is a member-focused and member-driven initiative of the Mid-Ohio Regional Planning Commission (MORPC) supporting the sustainability efforts of Central Ohio local governments and organizations through technical assistance, collaboration, and recognition.

A COMMITMENT TO REGIONAL SUSTAINABILITY

Sustainable2050 is directly tied to the goals and objectives of the Regional Sustainability Agenda, the guiding document for MORPC's sustainability-focused programming and committees. The Regional Sustainability Agenda provides the framework for members and regional partners to work toward common goals:

- Reduce per capita **energy consumption** and promote alternative fuel resources to increase affordability and resilience of regional energy supplies
- Protect **natural resources** and mitigate infrastructure vulnerabilities to maintain a healthy ecosystem and community
- Position Central Ohio to attract and retain **economic opportunity** to prosper as a region and compete globally through sustainable practices and solutions
- Create **sustainable neighborhoods** to improve residents' quality of life
- Increase **regional collaboration** and educational opportunities to advance innovative sustainability solutions

MID-OHIO REGIONAL
MORPC
PLANNING COMMISSION

PROGRAM BENEFITS

- **Member Recognition**
 - Sustainable2050 members benchmark their sustainability efforts and track their progress toward the goals and objectives of the Regional Sustainability Agenda. Members are recognized through a tier status program designating their level of achievement as bronze, silver, gold, or platinum.
 - Thanks to generous support from the Franklin County Engineer's Office, Sustainable2050 members receive a community street sign to display their commitment to regional sustainability.
- **Peer Exchange**
 - Sustainable2050 members are invited to showcase their efforts through speaking requests and MORPC events.
 - Sustainable2050 members participate in a quarterly forum to learn about local initiatives, collaborate on best practices, and exchange ideas.
- **Technical Assistance**
 - Sustainable2050 members receive unique access to MORPC staff expertise and technical assistance in sustainability-related areas such as energy, development, and transportation.

SUSTAINABLE COMMUNITIES, COLLECTIVE IMPACT

Each Sustainable2050 member supports the goals of the Regional Sustainability Agenda through their own unique projects and programs. Together, Sustainable2050 members are creating tangible, sustainable changes across Central Ohio.

READY TO BECOME A MEMBER?

Sustainable2050 membership is open to all MORPC members and associate members, as well as any previous member of Green Pact. If your community or organization is ready to become a Sustainable2050 member, MORPC can help you meet the eligibility requirements:

- Pass a **resolution of participation**, indicating commitment to the program
- Designate a **local champion** to ensure public awareness of the program
- Assign a representative from the local government or organization to **participate in program meetings**.
