

insight2050 Technical Assistance Program

MORPC Commission
December 12, 2019

insight2050 Principles

DEMOGRAPHIC TRENDS SHAPE OUR COMMUNITIES

- Walkable neighborhoods
- Mixed use environments
- Mixed age, mixed income communities
- Smaller residences
- Transportation choices

TA Program Guidelines & Selection Process

- Program objectives
 - Increase multimodal options
 - Improve mobility, accessibility, and safety
 - Increase connectivity to community assets, areas of reinvestment, and underutilized properties
 - Prepare for emerging technologies
- Program guidelines developed with guidance from MORPC's Active Transportation Working Group
- Projects scored by Application Evaluation Committee
 - MORPC, ODOT, COTA, ODH
