Meeting Called to Order at 9:36 am

Welcome & Introductions
Members and staff introduced themselves.

Review Content and Procedures for April 22 RIDG Meeting
Census Differential Privacy Standards
Shoreh Elhami and Aaron Schill, MORPC, will give a short update regarding 2020 Census status.

Showcase Presentations
Each presentation will last approximately five minutes. Presenters will provide MORPC staff with an agenda and slides. Liz Whelan will provide Working Group members with a presenter list prior to the RIDG meeting.

Breakout Session Topics
Six Breakout Session topics have been proposed; attendees have not yet been assigned to breakouts.

On Monday, April 20, MORPC staff and Working Group members will have a technology dress rehearsal for the April 22 RIDG meeting.

Members discussed contingency plans if the breakout session technology fails:
• Large group discussion with questions in chat
• Poll attendees via Teams/Polly
• Play a video

Members will brainstorm individually about backup plans and send their ideas to Liz. Chair Burks and Liz will discuss on Monday, April 20, as the breakout session function is tested.

Schedule & Frequency of Future RIDG Meetings
Chair Burks noted that the user group population may dwindle as organizations furlough people. Members agreed to ask the users what they want and to revisit meeting cadence after that.

Other Business
The OSU Office of Research is providing grants for COVID-19 research projects up to $50,000. CURA is very interested in working with partners. Partners will not receive the grant, but they will receive what the product built by CURA.
