

# DOES YOUR STUDENT NEED A PC OR HIGH-SPEED INTERNET FOR THE 2020-2021 SCHOOL YEAR?

[www.pcsforpeople.org/ohio](http://www.pcsforpeople.org/ohio)

All Central Ohio school districts are beginning the 2020-2021 school year with remote learning or hybrid models. In this challenging environment, students without access to a computer and a reliable high-speed (broadband) internet connection are at risk of falling behind. Partners throughout Central Ohio have worked together to launch the Central Ohio Broadband Access Program to provide eligible K-12 students and their families with computers and 12-months of broadband internet service for as little as \$20.

## PROGRAM HIGHLIGHTS

- **WHO CAN PARTICIPATE?** Any eligible family with a K-12 student in Central Ohio, except for Columbus City Schools students.\* [Click here for eligibility criteria.](#)
- **WHAT'S AVAILABLE?** Low-cost computer packages and mobile hotspot devices with a prepaid 12-month unlimited Zdata plan for as little as \$20 (limited financial aid is available).
- **HOW DO I REGISTER?** Families can [register online](#) in just a few easy steps – see below.
- **WHERE DO I GET MY EQUIPMENT?** There will be multiple convenient pick-up locations to choose from around Central Ohio, including local library branches and schools.

## REGISTRATION IS EASY

1. Visit [pcsforpeople.org/ohio](http://pcsforpeople.org/ohio) and click the blue registration button
2. Select a pick-up location and time that's convenient for you
3. Choose your devices – computer, internet access, or both
4. Provide some basic info and upload your eligibility verification (it helps to have these materials ready)
