PLANNING COMMISSION

REGIONAL SUSTAINABILITY AGENDA (RSA) UPDATE

- Regional RSA Survey in March
- RSA Lunch and Learn April 7
- RSA Sub-committee April 15
- Sustainability Advisory Committee April 21
- Commission presentation May/June

Quote from Survey:

"I am a social worker and many of my clients have asthma, COPD, and other respiratory illnesses. This has made them more vulnerable during COVID, prevents them from engaging in outdoor activities during poor air quality alerts in the summer, and creates further financial inequities due to our costly healthcare system. The more we improve the air the better physical, mental, and economic health my clients on the South Side of Columbus will have."
