MORPC Updates – William Murdock
Kerstin Carr will serve as the Interim Data & Mapping Director.

Regional Public Policy Update – Joe Garrity

2020 Census Update – Liz Whelan-Jackson

RDAC Priorities & Working Groups – Brad Ebersole & Jung Kim
Vice-Chair Kim recapped the process used to create Working Groups: voting among Members on Regional Data Agenda Action Items to work on, with staff sorting those Action Items into Working Groups.
Members are currently self-populating the Working Groups. Members may sit on more than one Working Group.

**Working Group Reports**

*Data Policy Needs Survey & Toolkit – Doug McCollough*

The survey shows that Cybersecurity and Records Requests are the highest priorities to the survey population.

Of the eight categories of data stewardship included in this survey, please rank the three highest priority categories for your organization.

This Working Group will be rolled into the Local Government Resources Working Group in 2022. The next steps for this project are to conduct focus groups and to develop the Toolkit.

*Regional Municipal Fiber Strategy – Gene Oliver*

The Working Group recently finalized the Letter of Intent to help secure grant funding to help defray some of the initial expense of implementation and ongoing operation. Chair Oliver expects the effort to take another year to implement and to begin to scaling.

**MORPC Staff Updates**

*Central Ohio GIS User Group Report – Cheri Mansperger*

COGUG met on September 1, and this was its first hybrid meeting. Ten members attended at the MORPC office, with 53 remote attendees. There were presentations from ESRI, the Knowledge Exchange at OSU, and from Kyle Schaper of Licking County regarding Story Maps.

*Regional Information & Data Group Report – Liz Whelan-Jackson*

RIDG’s August 4 virtual meeting had 30 attendees, and a presentation from Rob Moore, Scioto Analysis. The Group had three breakout sessions: Census 2020, Tableau, and Data Organization. The next RIDG meeting will be on November 3.

**Other Business**

Members discussed hybrid / in-person / remote meeting formats. The consensus is that the Committee will wait to see what the future brings with regard to new variants.

**Adjourned at 2:15 pm.**
