    - (Goal 3) “Promote good data governance and practices that protect local governments and their residents, and adapt to the evolving data and technology landscape.”
      - **Action Item 3.1.4 “Publish a data governance, management, and security toolkit for local governments.”**

# DATA POLICY NEEDS SURVEY & TOOLKIT

- Problem Statement

- Local government data policies may be insufficient, even as they are working with more data, new types of data, emerging data trends, and potentially sensitive data. Guidance and best practices are needed.

- Goals

- Develop a survey to prioritize members' most pressing needs
- Design a toolkit in response to survey findings

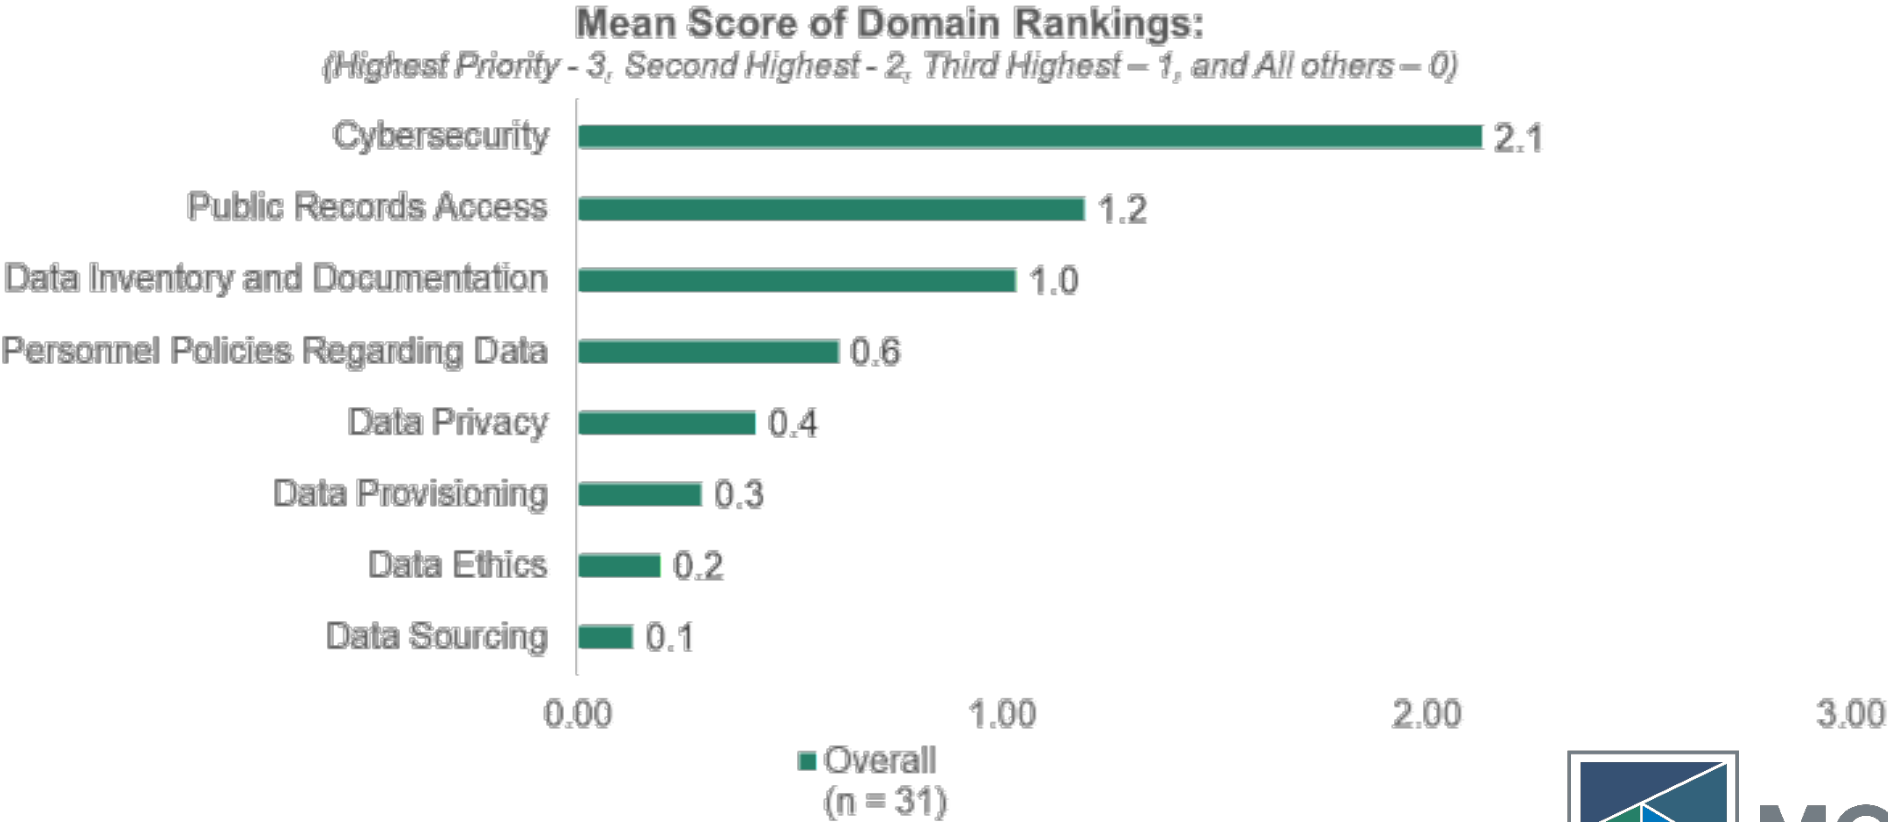

**MORPC**

# SURVEY FINDINGS

Of the eight categories of data stewardship included in this survey, please rank the three highest priority categories for your organization.
