MORPC Data Governance Resource Library Submission and Request Form

This form exists in service to the MORPC Regional Data Advisory Committee (RDAC) objective of fostering the ongoing sharing of data-related resources among MORPC membership. The Local Government Resources Working Group invites members to submit resources for inclusion in a regional data governance resource library and/or in topic-specific reference toolkits.

Do you have a reference document that you have found useful? Have you created a resource you can share with your peers? Are you in need of guidance or a template?

From policy frameworks and sample or model policy language, to templates and workflows, we seek your help identifying materials that can be shared. Please fill out the form below to let us know about a resource, or to request assistance with locating a resource.

* Required

1. Name of Person Submitting This Form *

2. Email Address *

3. Are you: *

- Recommending a resource for inclusion in MORPC's Data Governance Resource Library
- In need of a specific data governance resource or requesting assistance to find a data governance resource

You can print a copy of your answer after you submit
