8. Enter into contracts and agreements
9. Employ or retain or contract for the services
10. Receive government loans and
11. Acquire, hold, and dispose of property
12. Establish and collect tolls or user charges for its projects
13. Enter into an agreement with a contiguous counties

# GENERAL BENEFITS

- Provide transportation improvements more rapidly than government can typically function. TIDs have a number of powers which enable quicker implementation of projects:
  - Ability to sole-select contractors
  - Ability to purchase and hold excess ROW
  - Ability to promote and facilitate multi-jurisdictional collaboration
- Access to a small pot of TID funding through ODOT.

# GRANT FUNDING (NOT THE REASON TO START A TID)

MORPC

- Ohio House Bill 74 ...134th Ohio General Assembly provides **\$4.5M** in funding each fiscal year of the biennium.
- TID program funding can be used on all publicly owned roadways in Ohio.
- The funding provided for each project is limited to **\$500,000** per fiscal year.
- Funding is provided on a reimbursement basis.
- Project costs must be incurred after the funding agreement has been fully executed to be eligible for reimbursement.
