## Memorandum

**TO:** Transportation Policy Committee  
Transportation Advisory Committee  
Community Advisory Committee

**FROM:** Nick Gill, Transportation Director

**DATE:** October 24, 2022

**SUBJECT:** Proposed Resolution T-14-22: **"Adopting the 2023 Technical Assistance Program Guide"**

The proposed Resolution T-14-22 will adopt an update to the MORPC Technical Assistance Program Guide for the next round of services. The Technical Assistance Program (TA Program) provides MORPC staff assistance to local government members within the boundary of the Metropolitan Planning Organization (MPO) to advance the goals in the MTP through implementation of specific MTP strategies focused on improving active transportation and transit infrastructure.

The Program Guide is reviewed on a regular basis, in alignment with each new round of technical assistance services. This provides the opportunity to make necessary changes to address the most current needs of the region and our local communities. Minor tweaks were made to the Program Guide for 2023, with the most significant changes incorporating new service types available for applicants.

The 2023 Program Guide will apply to the 2023 round of technical assistance services. An application window will be opened on Thursday, November 10<sup>th</sup> for eligible MORPC members to apply for the services established in the 2023 Program Guide.

Since the inception of the TA Program, Several Central Ohio communities have received MORPC staff assistance to complete various planning and policy development efforts. More information about these past services, as well as the current program, can be found on the MORPC website at: [www.morpc.org/program-service/technical-assistance-program](http://www.morpc.org/program-service/technical-assistance-program).
