**ARE YOU?**

Many students miss out on academic opportunities due to financial barriers. But at Capital University, education is accessible for all. With **The Main Street Scholarship**, Capital is committed to creating a more diverse and equitable community through equal opportunity education.

**The Main Street Scholarship is a minimum \$80,000**, applied over four years, that is awarded to all accepted, full-time, undergraduate students who are entering their first year of college. **The Main Street Scholarship** can be paired with other awards and aid, including a \$1,500 annual scholarship for dependent children of employees participating in Capital's corporate partnership program.

**Welcome to the Capital community.**
