MID-OHIO REGIONAL
MORPC
PLANNING COMMISSION

# ONE REGION, ONE VISION

## INTEGRATING THE 2026 PLAN PORTFOLIO

# THE BIG PICTURE: MORPC'S ROLE

**Regional Architect-** look beyond jurisdictional boundaries to identify shared vision and priorities for seamless transportation systems across the region.

**Funding Gateway-** Federal and state transportation dollars flow through the MPO. We ensure these investments align with our community's priorities.

**Collaboration-** We bring together state, city, county, and transit leaders to solve problems that no single jurisdiction can tackle alone.

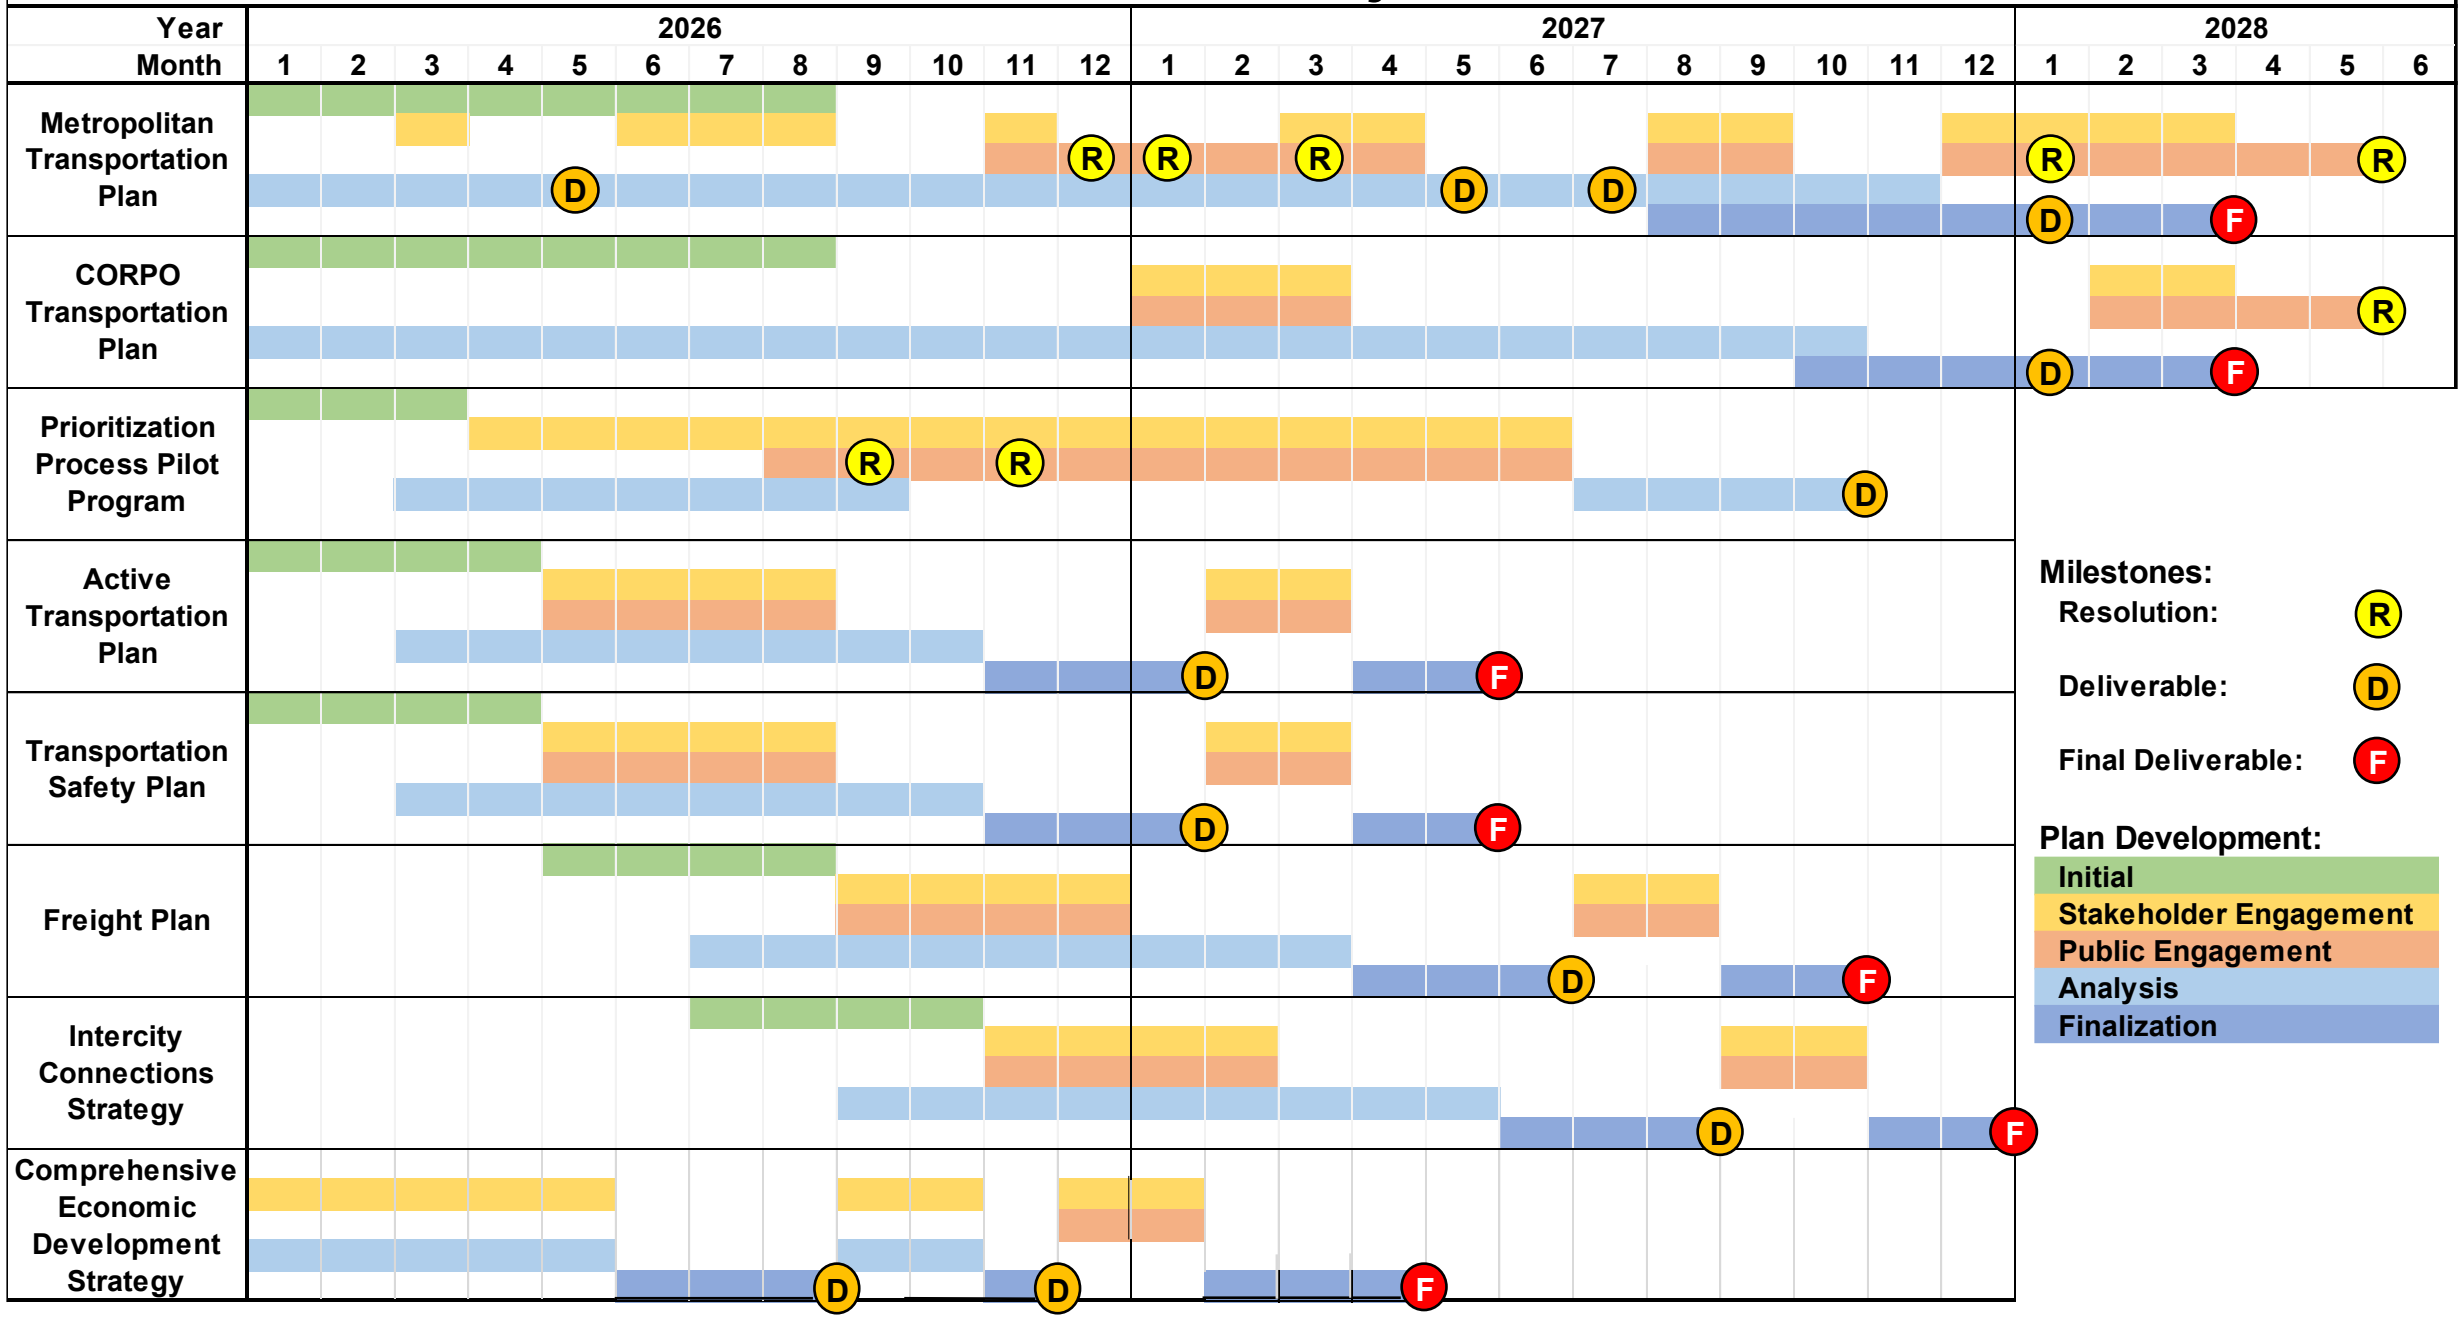
# WHY 2026 IS A PIVOTAL YEAR

**Building on Success-** We are leveraging the momentum of recent successes and opportunities (LinkUS, Capital program carry-forward)

**Planning Cycles for Core Documents-**

- Metropolitan Transportation Plan (MTP)
- CORPO Transportation Plan (CTP)
- Comprehensive Economic Development Strategy (CEDS)
- Active Transportation Plan

**Federal Grant Awards-**

- Prioritization Process Pilot Program
- Safe Streets and Roads for All


# Draft - MODE Plans & Projects 2026-2028
