# NEW ALBANY AREA MOBILITY HUB

PROJECT PROFILE

As the Sillicon Heartland becomes a world-class adnvanced manufacturing job center, innovative mobility options and infrastructure are needed to support these developments. The New Abany Area Mobility Hub is an innovative solution to connect people to jobs across county lines. This mobility hub will address a persistent barrier in workforce mobility in Central Ohio by providing access to a wide-range of transportation options.

**Prioritized as a project of**

**REGIONAL SIGNIFICANCE**

### Project Type:
**Mobility - Workforce**

### Estimated Cost:
**Cost Description**
