

MID-OHIO REGIONAL  
**MORPC**  
PLANNING COMMISSION

## **REQUEST FOR PROPOSALS**

### **Building Equitable and Safe Transportation Reimagining Project Prioritization**

The Mid-Ohio Regional Planning Commission (MORPC) is requesting proposals from firms to provide professional services for development of an improved development process for MORPC's Metropolitan Transportation Plan (MTP).

MORPC is a voluntary association of local government communities in the 15-county Central Ohio area. Our organization strives to enhance the quality of life and competitive advantages of Central Ohio by working through local governments and other constituents. A catalyst for change, evidence of MORPC's work is seen every day through planning, programming and services in the areas of housing, transportation, water, land use, economic development, environment, public policy and technology. We assist our local government members by providing innovative solutions for the many challenges facing our growing region.

Consultants interested in being considered must submit proposals **in a PDF format to the email address below**. Proposals will be received by MORPC until **5:00 pm (ET), April 29<sup>th</sup>, 2026**.

**Submit proposals to:**

Mid-Ohio Regional Planning Commission  
Attn: Maria Schaper  
111 Liberty Street, Suite 100  
Columbus, OH 43215  
[mschaper@morpc.org](mailto:mschaper@morpc.org)

Proposals must arrive in the MORPC offices prior to the proposal due date and time. Facsimile submissions will not be accepted.

All questions must be submitted in writing and should be submitted via mail, or email to Thomas Graham at [tgraham@morpc.org](mailto:tgraham@morpc.org). No answers will be given over the phone. Written answers, including any amendments to the RFP if necessary will be posted on MORPC's website. Responses to questions will be posted at <http://www.morpc.org/rfps-rfqs/>.

The Mid-Ohio Regional Planning Commission in accordance with Title VI of the Civil Rights Act of 1964 and the related nondiscrimination statutes, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all bidders including disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, national origin, sex, age, disability, low-income status, or limited English proficiency in consideration for an award.

## I. OVERVIEW

The Building Equitable and Safe Transportation (BEST) initiative will enable MORPC to replace the current project evaluation and selection process for our Metropolitan Transportation Plan (MTP) with an improved and more publicly transparent project prioritization process. MORPC's 2024-2050 MTP was adopted by the Commission in May 2024 and identifies more than \$34 billion dollars in transportation investments for the Central Ohio Region over the next 25 years. More than 600 transportation infrastructure projects are identified in this MTP (<https://www.morpc.org/2024-2050-metropolitan-transportation-plan/>). An improved prioritization process will allow future MTP development processes to better identify local and regional transportation needs, more accurately and holistically evaluate project benefits, and encourage additional and more holistically incorporated public input throughout the process.

This project provides an opportunity to overhaul MORPC's processes for MTP development. It is envisioned that this project will improve and modernize MORPC's process, facilitate more efficient development of the MTP, and improve transparency across our planning process. In concurrence with these efforts, MORPC will be updating multiple plans to inform the MTP. Specifically, MORPC's Active Transportation Plan, Safety Action Plan, and Freight Plan will all be updated in 2026. This project will work closely with each of these planning efforts and specifically will involve significant coordination of public engagement efforts.

The BEST initiative has secured funding through FHWA's Prioritization Process Pilot Program in 2024, which requires that an improved project prioritization process for the MTP be developed. MORPC intends to utilize this improved prioritization process for development of our 2028-2055 MTP.

## II. SCOPE OF SERVICES

The detailed scope of services is as follows:

### 1. Project Management

- a. Provide monthly written status updates summarizing schedule progress, completed work, upcoming milestones, and any issues requiring attention.
- b. Conduct a project kick-off meeting, recurring bi-weekly coordination calls, and a final close-out meeting with the core project team.
- c. Document all meetings with concise notes that identify decisions, next steps, action items, and responsible parties.
- d. Maintain consistent communication with MORPC staff to ensure timely decision making and overall project alignment.

### 2. Facilitate Update of the MTP Goals, Objectives, and Performance Measures

- a. Review the six goals and associated objectives which currently guide development of the MTP.
- b. Facilitate targeted stakeholder engagement to consider revisions, deletions, or additions to the goals and objectives for the 2028-2055 MTP.
- c. Facilitate targeted public engagement to consider revisions, deletions, or additions to the goals and objectives for the 2028-2055 MTP.
- d. Summarize stakeholder and public feedback on MTP goals and objectives to inform final goals and objectives which will be adopted by MORPC.
- e. Facilitate targeted stakeholder engagement to inform MORPC's update to the Active Transportation Plan.

- f. Facilitate targeted public engagement to inform MORPC's update to the Active Transportation Plan.
  - g. Summarize stakeholder and public feedback to inform the Active Transportation Plan and subsequently the MTP.
  - h. Develop improved Performance Measures tracking and reporting for the MTP
  - i. Develop an improved process for tracking progress on both federally required and locally developed performance measures.
  - j. Develop an improved process for reporting on performance measures in an effort to improve public transparency around regional transportation planning and implementation.
- 3. Review of Current MORPC MTP Plan Prioritization Process**
- a. Review all current prioritization metrics utilized by MORPC in development of the MTP.
  - b. Identify areas of improvement within the current prioritization metrics as appropriate, in addition to those areas of improvement already identified by MORPC staff.
  - c. Inventory current geospatial and transportation demand modeling assets available for use in the MTP prioritization process.
  - d. Review National Best Practices around Project Prioritization for Long Range Transportation Plans.
  - e. Review other MPO and State DOT prioritization processes.
  - f. Identify and report on best practices for project prioritization in long range transportation planning.
- 4. Develop Evaluation Criteria for Project Prioritization aligned with Updated MTP Goals and Objectives**
- a. Propose new or existing evaluation criteria for project prioritization.
  - b. Incorporate improvements/restructuring of current evaluation criteria around safety and community impacts (specific detail provided in scope items #6 and #7).
  - c. Develop criteria around innovation and economic development.
  - d. Develop an evaluation framework which can be utilized to prioritize projects across all evaluation criteria and across all eligible project types.
  - e. Ensure new evaluation framework is aligned with furthering the goals and objectives developed in scope item #4.
  - f. Incorporate evaluation metrics developed and/or informed by other MORPC planning efforts, including the Active Transportation Plan, Safety Action Plan, and Freight Plan.
- 5. Conduct a Network Safety Analysis and Develop an Improved Safety Evaluation Tool**
- a. Conduct a systemic safety analysis of federal aid eligible roadways within the MORPC MPO region, specifically focusing on analyzing roadway characteristics for crash risks, and identifying high risk locations for vulnerable roadway users.
  - b. Develop an improved safety evaluation tool which will be utilized to evaluate projects for safety benefits, including consideration of crash history, systemic safety analysis results, and proposed project scope.
  - c. Incorporate improved safety evaluation into the project prioritization process for the MTP.
  - d. Coordinate network safety analysis and safety evaluation metrics with development of MORPC's Safety Action Plan.
- 6. Update MORPC's Community Impacts Technical Analysis**
- a. Review MORPC's current Community Impacts Technical Analysis.
  - b. Identify opportunities to improve upon this analysis, with specific focus on improving context sensitivity, identifying neighborhood level needs, identification of major transportation barriers, and more holistically analyzing project impacts for all users and modes.

- c. Incorporate metrics developed for the Community Impacts Technical Analysis into the project prioritization process for the MTP.
- 7. Develop an Evaluation Database**
  - a. Review MORPC's current evaluation database for MTP project prioritization.
  - b. Identify alternate software solutions which could replace MORPC's current evaluation database.
  - c. Work alongside MORPC staff to develop and integrate a new evaluation database for the MTP project prioritization process.
  - d. Ensure new evaluation database can be integrated with MORPC's project tracking/management systems.
- 8. Develop Improved Public Involvement Process for the MTP**
  - a. Develop a replicable strategy for meaningful public involvement during MTP development which includes a focus on engaging historically underrepresented groups in transportation planning.
  - b. Identify opportunities to incorporate public feedback into the project prioritization process.
  - c. Develop strategies for improving transparency of the project prioritization process for the MTP, including improved public facing project data.
  - d. Develop improved branding for the MTP to further benefit public involvement.
- 9. Coordinate Stakeholder and Public Engagement Efforts with Ongoing Planning Efforts**
  - a. Ensure engagement efforts for this project are aligned with ongoing efforts around development of the MORPC Active Transportation Plan, Safety Action Plan, Freight Plan, and other ongoing planning efforts as needed.
  - b. Identify opportunities for engagement efforts to benefit multiple planning efforts and minimize potential engagement fatigue in the region.

### III. PROPOSAL FORMAT

The proposal must address the following items in the following order. Failure of the proposal to respond to a specific requirement may be a basis for elimination from consideration during the comparative evaluation. MORPC reserves the right to accept or reject any or all proposals.

Each consultant shall submit a formal proposal not to exceed TWENTY (20) 8.5" x 11" pages (excluding tabs, dividers, etc.) and shall contain the following sections:

- A) Cover Letter
- B) Organization, Personnel, Experience & Project Management
  - a. Consultant's Personnel Profile and Corporate Qualifications
  - b. Project Team Availability and Capacity
  - c. Project organization chart showing key personnel, their relationships and affiliations
- C) Consultant's Methodology/Work Plan
- D) List and Description of Deliverables
- E) Project Schedule
- F) Budget or Cost Proposal

#### A.) COVER LETTER

The **cover letter** shall be signed by a representative authorized to legally bind the firm, and include:

- Name, telephone number, and e-mail address of a contact person with authority to answer questions regarding the proposal (ideally the day-to-day project manager for this work).

- Name, address, and phone number of a contact person to be notified regarding contractual issues.
- Identification of the firm as a corporation or other legal entity.

The letter shall state that the proposer:

- Has sole and complete responsibility for delivery of the required services.
- Is presently not debarred, suspended, proposed for debarment, declared ineligible or involuntarily excluded from covered transactions by any federal department or agency or the Ohio Department of Transportation.

## **B.) ORGANIZATION, PERSONNEL, EXPERIENCE & PROJECT MANAGEMENT**

### **CONSULTANT'S PERSONNEL & CORPORATE PROFILE**

Specific background information on key individuals who are anticipated to be assigned to the project should be included, most notably the project manager. The background information on these individuals would emphasize their experience relative to project requirements. A statement concerning the recent related experience of persons from your team who will be actively engaged in the proposed effort should also be included. Attach resumes of the project manager and other key personnel to the proposal. A general resume is not a satisfactory substitute for this information.

Identify similar projects undertaken by your firm or proposed team firms a) within Ohio and b) in other states. Document each firm's actual responsibility on the project. Provide appropriate reference(s), name(s) and telephone number(s).

### **PROJECT TEAM AVAILABILITY & CAPACITY**

Identify the location of the office where the majority of the work is to be performed. Discuss your staff's availability and capacity in the skill classes necessary to accomplish the work contemplated in the work elements as outlined in your technical approach. Specifically, break the staffing down by the number of professionals, technicians, and other specialists and indicate the number of each available for assignment to this project. Provide a list of the firm's present workload relative to capacity and availability to provide the requested services.

The consultant should note that as a condition of the contract the key persons, as defined by MORPC, assigned to the project for its duration must be substantially as represented in the proposal. MORPC reserves the right to cancel the contract and seek damages from the consultant in the event the consultant fails to provide the key personnel substantially as represented in the proposal.

### **PROJECT ORGANIZATION CHART SHOWING KEY PERSONNEL, THEIR RELATIONSHIPS AND AFFILIATIONS**

This section shall provide an overview of each key personnel working on the project and show their relationship to the firm and their affiliations. It shall identify the firm's/team's principal-in-charge and the day-to-day project manager together with their qualifications as well as a brief outline of the potential roles and qualifications of other key personnel. If subcontracts are utilized, the position in the project team and identity of the sub-contractor shall be stated.

## **C.) CONSULTANT'S METHODOLOGY/WORK PLAN**

This section shall indicate the consultant's understanding of the project scope of work, a definition of the scope of the project (including a discussion of the tasks to be performed to accomplish the scope of work), a definition of the final product, and the consultant's approach to the project

Request for Proposal  
Building Equitable and Safe Transportation  
(including the estimated time of completion for key tasks, phase deliverables, the management organizational chart, and identification of the Committee's roles in the project).

The consultant's proposal shall contain a step-by-step explanation and description of the methodology to be employed and how the methodology addresses MORPC's scope of work. The consultant's proposal shall further contain a detailed level of effort. In addition, please explain any aspect of your method that is unique or innovative.

Also, administrative information, such as the consultant's status reporting procedures and the consultant's approach to effective communication with MORPC personnel and sub-consultants, shall be included.

**D.) LIST AND DESCRIPTION OF DELIVERABLES**

The consultant's proposal shall list and describe the deliverables for each identified task that are part of the various steps of the methodology. All materials created and submitted throughout the lifetime of the projects related to the contract shall become the property of MORPC. All materials received shall be considered public information and shall be open to public inspection.

**E.) PROJECT SCHEDULE**

Included as part of the proposal, the proposer shall provide a schedule identifying all tasks and sub-tasks, all deliverables, and time in the scope of work. The project should be completed by December 31, 2027. If the consultant believes this will adversely affect the quality of the project, the consultant should explain why. Interim milestones are included below:

<u>Task 1:</u>	Ongoing throughout the duration of the contract
<u>Task 2-3:</u>	Completed by September 30, 2026
<u>Task 4-8:</u>	Completed by June 30, 2027
<u>Task 9:</u>	Ongoing throughout the duration of the contract

**F.) BUDGET**

The expected budget for this project is \$950,000. Additionally, MORPC will provide in-kind services for the project, including:

- project and contract management,
- data and GIS support,
- public and stakeholder involvement (facilitation assistance and facility use), and
- website hosting

The proposer should be aware that the project is funded with U.S. DOT funds and will be subject to all the requirements thereby imposed. In addition, as U.S. DOT funds are administered by the Ohio Department of Transportation (ODOT), this project will be subject to all requirements imposed by ODOT.

The proposer should be aware that it is the goal of MORPC to process and pay properly prepared and submitted invoices within 60 days, although that is not guaranteed. Improperly prepared and submitted invoices will be returned and will consequently not be processed and paid within the 60-day goal. Proof of payment will be required for all charges included on invoices.

## IV. PROCUREMENT PROCESS

### ***RFP TIMELINE***

The schedule for the RFP is given below. Dates are tentative and may be modified by MORPC as necessary.

<b>Key Date</b>	<b>Event</b>
April 1, 2026	Proposal is posted on MORPC website for interested parties to retrieve.
April 29, 2026	Completed proposals due to MORPC by 5:00 p.m.
April 30, 2026	Proposals will be opened at 2:00 p.m.
April 30 – May 13, 2026	Evaluations of proposals.
April 30 – May 13, 2026	Clarification Interviews, if required.
May 14, 2026	Evaluation Committee makes recommendation.
May 18, 2026	Contact all bidders regarding awards to be made
June 11, 2026	MORPC Board meeting to approve resolution/award contract
May 2026	Contract preparation.
June 2026	Contract finalized.
June/July 2026	Project begins.

The selection of the project consultant will follow a multi-step process. The first step will be an evaluation of the written proposals using the criteria listed below.

### ***EVALUATION CRITERIA***

The evaluation criteria are as follows:

#### **1. General Quality & Adequacy of Response (20%)**

- a. Completeness and thoroughness
- b. Responsiveness to terms and conditions
- c. Overall impression

#### **2. Organization, Personnel, Experience & Project Management (40%)**

- a. Qualifications and experience of proposed personnel, including project manager
- b. Relevant knowledge, skills & experience with the project
- c. Experience working with similar clients
- d. Demonstrated capacity to do the work
- e. Study Area Understanding/Local Presence:
  - i. Familiarity with the study area's characteristics
  - ii. Familiarity with the study area's economy, culture, and environment
  - iii. Capacity to locally coordinate and administer the project

#### **3. Technical Approach & Work Plan (40%)**

- a. Clarity and organization in concept development
- b. Quality and quantity of services to be rendered
- c. Approach to study, including the ability to derive creative solutions. Clear description of elements of the work plan:
- d. Addresses expected outcomes:
  - i. Identifies who will do the work
  - ii. Includes realistic & sufficient timelines

- iii. Includes reasonable & useful reporting timelines
- e. Specialized experience relevant to the work scope

### ***EVALUATION COMMITTEE***

The Committee will conduct the evaluation of proposals and reserves the right to reject any and all proposals in whole or in part received in response to this request. The Committee may waive minor defects which are not material when no prejudice will result to the rights of any other consultants or to the public.

The second step would include clarification interviews. Depending upon the relative merits of the proposals, consultants may be invited to meet with the evaluation committee and respond to questions from an interview panel. The second step may be waived if the Committee finds from the evaluation in the first step that one team is clearly more qualified to perform the study than the other teams.

### ***CLARIFICATION INTERVIEWS***

At MORPC's option, the consultant may be required to answer questions about the proposal. The purpose of the interview is to provide clarification of information presented in the written proposal. If interviews are necessary, MORPC will contact the consultant's authorized representative to schedule the time, date, and method of interview (e.g. in-person presentation or conference call). The interview will be within two weeks of notification. The interview will be given by the Committee. If in-person interviews are requested, the consultant must comply at no cost or obligation to MORPC. A consultant's refusal to make a presentation as described shall result in the consultant's proposal being rejected from consideration for the project.

### ***SELECTION AND NEGOTIATIONS***

Based on the evaluation of the proposals, the most qualified consultant will be selected. If negotiation with the highest ranked consultant fails to result in a mutually acceptable agreement, MORPC will notify that firm in writing of the termination of negotiations. The next highest ranked consultant, as determined by the earlier technical proposal evaluation, will then be invited to enter into negotiations with MORPC. If negotiations again fail, the same procedure shall be followed, with each next most qualified firm until a contract has been negotiated. If the remaining proposals are considered not to be qualified, the notification and selection processes will be repeated.

## **V. ADMINISTRATIVE & ORGANIZATIONAL ELEMENTS**

### ***PROJECT ORGANIZATION***

The technical components of the project will be prepared by a consultant to be selected through the RFP process. The consultant will work with the Project Manager of MORPC to coordinate routine exchange of data and overall project supervision. Technical components of the project will be regularly presented to the Committee members whose roles are to review and confirm the results.

#### Role of MORPC

MORPC will manage the entire project. MORPC conducts the RFP process and will, together with the Committee, select the consultant to perform the study as described in this scope. MORPC will also provide limited assistance to the consultant in the various tasks of the project scope as described in section II.

#### Role of the Consultant

The consultant will conduct the tasks outlined in section II.

## **REPORTING**

### Interim Reports

The consultant shall prepare technical memos at milestone points (at a minimum at the end of each task) of the project which are to be suggested by the consultant. Each of these technical memos shall describe the major issues addressed and results obtained in that portion of the project. All these technical memos will serve as a basis for the formal final report. In addition to these technical memos, the consultant shall provide and/or present the interim findings before the Committee as appropriate at milestone points. The consultant shall prepare presentation materials (display graphics, Power Point presentations, and written summaries) at specified milestones throughout the project as suggested by MORPC.

Interim reports shall be provided in electronic format. All components of a single technical memo would be combined into a single file in Microsoft Word or Adobe Acrobat (PDF) format. Page sizes shall be limited to 8.5" x 11" or 11" x 17".

### Final Reports

Along with deliverables throughout the overall project, a final report shall be provided detailing the work completed throughout the project. All components of the Final Draft Report would be combined into a single file in Microsoft Word or Adobe Acrobat (PDF) format. Page sizes shall be limited to 8.5" x 11" or 11" x 17". An easily reproducible less technical summary document in electronic format should be included for presentation to council persons and other educated and informed non-technical persons. The document will be supported by the technical memorandums.

The consultant may be requested to present to MORPC's Community Advisory Committee, Transportation Advisory Committee, and/or the Central Ohio Metropolitan Planning Organization Board.

## **VI. PROPOSAL TERMS & CONDITIONS**

### Evaluation of Proposal Compliance with Specifications

Understanding that no consultant may completely meet all requirements of the specifications, MORPC reserves the sole right to determine whether a proposal substantially complies with the specifications; accept, negotiate modifications to, or reject the terms of any proposal; and waive the right to accept a part, or parts, of a proposal, unless otherwise restricted in the proposal.

### Modification and/or Withdrawal of Proposals

Modifications of a submitted proposal must be received by the designated due date specified. Withdrawal of proposals will be allowed only in those cases in which a written request to withdraw a Proposal is received by MORPC prior to the date and hour for receiving and opening Proposals. In such case, same will be returned to consultant unopened.

### Proposer Qualifications

MORPC may require all proposers to submit evidence of qualifications, and may consider any evidence of the financial, technical, and other qualifications and abilities. MORPC will not award a contract to a proposer who, in its opinion, is not fully qualified on the basis of financial resources and responsibility, possession of adequate equipment, personnel, experience, and past record of performance to perform the obligation to be undertaken competently and without delay.

### Award of Contract

Each consultant acknowledges that MORPC will use its discretion and judgment in making the final decision and further acknowledges that no claim by the consultant will arise in any way relating to

Request for Proposal  
Building Equitable and Safe Transportation

the exercise of that judgment by MORPC. MORPC reserves the right to accept the Proposal deemed to be in the best interest of MORPC or to reject any and all Proposals.

MORPC's Executive Director is the only individual who may legally commit MORPC to the expenditure of public funds. No cost chargeable to the proposed contract may be incurred before receipt of either a fully executed contract or a specific, written authorization to proceed.

## **GENERAL INFORMATION & REQUIREMENTS**

### **Compliance with US DOT Regulations**

The project will be funded from federal transportation funds. Consequently, the consultant must comply with all U.S. Department of Transportation regulations pertaining to federal transportation planning studies and non-discrimination in federally-assisted programs.

### **Ownership of Products**

MORPC will retain the copyright for all data, materials, information, processes, studies, reports, surveys, proposals, plans, codes, scientific information, technological information, regulations, maps, equipment, charts, schedules, photographs, exhibits, software, software source code, documentation, and other materials and property that are prepared, developed or created under or in connection with this project. Therefore the submitter should anticipate that all products of this work effort will become the property of MORPC who will make them available to other government agencies and their contractors.

### **Deviation Clause**

The consultant's attention is called to the condition that, if awarded a contract, the consultants will be required to furnish the particular item referred to in strict accordance with the specifications or descriptions as proposed, unless a departure or substitution is clearly noted and described in the proposal, along with the reasons therefore.

### **Tax Exemption**

MORPC is exempt from the payment of federal excise and transportation taxes levied under the provisions of the Internal Revenue Code. MORPC is also exempt from Ohio State Gross Retail (sales tax). The successful consultants will be furnished with any certificates of exemption required.

## **TITLE VI**

### **Equal Opportunity**

The consultant agrees that it will not discriminate against any employee, applicant for employment, or sub-contractor and that it will take affirmative action to insure that employees, applicants and sub-contractors are treated equally during employment without regard to race, color, creed, religion, ancestry, national origin, gender or sex (including pregnancy, gender identification or expression, and sexual orientation), gender identity or expression, age (including federally protected 40 years or older), disability or other handicap, genetic information, marital/familial status, military status (past, present or future), limited English proficiency, medical conditions, or income or status with regard to public assistance.

## **CONTRACTING REQUIREMENTS**

The following are not part of the proposal requirements but will be requirements in the contract in addition to other contractual requirements. *Please also note that prior to negotiation, the firm selected for negotiation must provide average hourly rates for personnel assigned and a copy of the last audited financial statement.*

Compensation

- A not-to-exceed contract amount based on satisfactory work performed and products and services produced will be entered into after negotiations between MORPC and the selected firm.

Alternative compensation models may be considered.

During contract negotiations, the selected firm must provide individually-priced and prioritized tasks to be completed “if authorized.” The sequencing of work tasks must be done in such a way that successful completion of earlier tasks is not dependent upon the completion of later tasks.

Cancellation

MORPC reserves the right to cancel any contract for failure or refusal of performance, fraud, deceit, misrepresentation, collusion, or any other misconduct on the part of the consultant.

Unresolved Finding for Recovery

The selected consultant affirmatively represents and warrants to MORPC that it is not subject to a finding for recovery under ORC 9.24 or that it has taken appropriate remedial steps required under ORC 9.24 or otherwise qualifies under that section. The consultant agrees that if this representation or warranty is deemed to be false, the agreement shall be void *ab initio* as between the parties to this agreement, and any funds paid by MORPC to the consultant hereunder shall be repaid to MORPC immediately, or an action for recovery may be commenced immediately by MORPC for recovery of said funds.

Covenants of Consultant

The consultant will be required to covenant and warrant the following:

- a) Consultant is not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any contract, supported in whole or in part by the funding sources for this project;
- b) Consultant has not within a three (3) year period had one or more public transactions terminated for cause or default;
- c) Consultant will comply with the provisions of Section 1352, Title 31 of the U.S. Code, which prohibits the use of federal funds to lobby any official or employee of any federal agency, or member or employee of Congress; and to disclose any lobbying activities in connection with federal funds.
